## Summer Fine Arts Opportunity at Forest Lawn High School

As you may know, the Calgary Arts Summer School Association and the CBE have a formal partnership which offers students ages 9-21 with a high level Musical Theatre experience. From July 4<sup>th</sup> – 12<sup>th</sup> 43 students will produce a full length musical. This year our musical, SAND, was written by one of our former students. This amazing experience includes acting, singing, dancing, set building and costume construction. This high level artistic endeavor is designed to challenge dedicated students and have them involved in a fast-paced learning environment. Students in grades 9-12 may also get credits for their participation in the experience and additional on-line work that they do. Don't miss out on this experience because of financial reasons...**scholarships are available to those who need them.**

If you are interested please go to the CASSA website and sign up for Musical Theatre Showtime. This year our show will be at Forest Lawn High School. [www.calgaryartssummer.com](http://www.calgaryartssummer.com)

Thank you, hope to see you at CASSA.

## Pearson Finance Club welcomes Dr. Gordon Higgins

Dr. Gordon Higgins was instrumental in providing “see” money in 2008 for us to run our Pearson Finance Club. Thanks to him and other donors our club has been in operation for 9 years straight.

Dr. Higgins shared with the club that Exchange Traded Funds (ETFs) is the best investment vehicle to park our “hard earned” money because it requires low maintenance and it's low cost. This strategy has been proven quite effective in the past 40 years when it was first introduced by John Bogle. Research has shown that “passive” investment beats funds that are actively managed.
