Principal's Message:

Dear Parents/Guardians

Hello, my name is Monty Slim and I am currently the acting principal of Lester B. Pearson School. When Dr. Thalheimer, your former principal, retired from the CBE at the end of the 2016-2017, I was asked to come in, on an interim basis, until a permanent principal is hired.

As a semi-retired senior high principal myself, I am very excited to serve at your fine school. The staff here is dedicated and skilled and is very committed to helping your son/daughter be successful in their learning and achievement.

I am a strong believer that student success in school is dependent on a few important factors:

- Strong attendance: being present for every class and on time
- Staying on top of school work: using class time wisely, completing homework and projects, asking questions and getting help from teachers during class and Success Support
- Demonstrating politeness, respect and kindness to self and others at all times.
- Getting involved in school life: The school has a wide offering of clubs, activities and athletics to choose from. This is a good way to meet friends, help others, develop good citizenship and foster a positive school spirit.

Parents and Guardians, you can also become involved by joining our School Council Group. This group meets monthly with the principal and other staff members to discuss matters related to our students and their learning. We would love to have you join us and enrich our conversations with your insights.

Wishing all of you an excellent school year.

Monty Slim, Acting Principal, Lester B. Pearson High School
