Weedless Wednesday: From Wellness to Comprehensive School Health

Welcome to the New Year! Is it time to make some positive changes this New Year? Is tobacco use a concern for your students or staff? This month we celebrate Weedless Wednesday on January 24th during National Non-Smoking week. What better time to encourage and support those that smoke to quit or provide information to those that don't, in hopes that they never start. Check out this month's calendar to learn more about non-smoking campaigns and resources.

Need support? Every school jurisdiction in Alberta has an assigned Alberta Health Services staff member to support [Comprehensive School Health](#).

Funding Opportunity Deadlines

[Conservation, Community and Education Grants](#)

This grant funds conservation activities by individuals, organizations and communities that contribute to healthy fish and wildlife populations, to a healthy environment for fish and wildlife in Alberta, and to the understanding, appreciation and use of that environment. This program will also fund projects which increases the level of attendance and awareness of outdoor opportunities, while developing knowledge and respect for conservation.

[Alberta Traffic Safety Fund \(ATSF\)](#)

The ATSF encourages applicants to develop and implement community-based, preventative, and collaborative traffic safety projects. Small grants (up to \$5,000) and large grants (up to \$17,000) are available.
